

HANKY BUNNY by Luis Magic - Video - DOWNLOAD

CREATE AN ARM PUPPET "BUNNY SHAPED" FROM A NAPKIN OR AN HANDKERCHIEF!

You'll entertain children (and adults, too ...) with its movements, its love for magic. You can imagine every child wanting a HANKY BUNNY photo!

EFFECT:

The bunny puppet is created using a napkin. He is blind, at the beginning but then you will give him eyes to see. You'll hypnotize him, you'll show him Your magic, he'll show you how to find a chosen card.

He eats coins and produces a bill , and at the end he'll give everyone a souvenir.

HIGHLIGHTS:

- **HANKY BUNNY** routine is particularly good in restaurant situations: You are with your friends whose children are annoying. Everybody knows you are a magician. Performing **HANKY BUNNY** stunts as an impromptu idea will delight them for at least 15 minutes!
- The routine is easily performed stand up or stage situation + all the necessary props will take place in a pocket.
- It has always been hard to keep these kind of "cloth puppets" in the right position on the hand, in **HANKY BUNNY** two mechanical and two magnetic "help" will keep it in perfect shape all the time you perform it!
