Cap Bite - by André Previato - Video - DOWNLOAD

After the bite coin, bite card, bite biscuit, bite key, we present the new **CAP BITE**. The famous bite effect is back! This is the original and spontaneous **CAP BITE**.

Imagine taking a pen out of your pocket, pulling off the cap, biting off the cap clip and then boom, you restore it! Fantastic... And best of all, it can be done with a universally known Bic pen. **Cap Bite** can't be missing from your close-up repertoire.
