

Tictac Resident by Arnel Renegado - Video - DOWNLOAD

TIC TAC RESIDENT is a gimmick that allows you to visually penetrate a Tic Tac mint from a sealed Tic Tac box.

Imagine this, you ask your spectator to examine the tic tac box, after that you get it and show that it's a real sealed tic tac box, then the miracle happens. A Tic Tac mint slowly melts through the box and visually transform into a real tic tac.

Discover the secret of **TIC TAC RESIDENT** now!

- Real sealed Tic Tac
- Easy to do
- Easy to perform
- Fully examinable before and after the effect
