

Metamorpost-it by Rowman Rowmiruz - Video - DOWNLOAD

The spectator selects a card, and the performer tries to guess the card. After some concentration, he writes down a card on a Post-it ...it's not the chosen one. But, the magician gives it a shake, and visually, the writing on the post-it changes to reveal the correct card! The note is peeled off and given out as a souvenir!

Metamorpost-it is a gimmick that can be used for several effects. Visually, make a predictions change.

Points to remember:

- Easy to perform
- Preparation explained in detail in video instruction
- Quick set up
- Needs a bit of practice but nothing too complicated
- No black art
- No elastic thread
- No magnet
- No flap
- No rubber
- Visual transform
- Fully examinable
