Virtual Magic Show Set-Up by Wolfgang Riebe - eBook - DOWNLOAD

A PRACTICAL GUIDE TO CREATING A BASIC PROFESSIONAL VIRTUAL STUDIO

Times have changed and virtual magic shows have become common place all around the world.

Do you have a virtual studio in your home and do your Internet broadcasts come across as professional? Or do you shy away from the technology and not sure where to start?

Here is a great booklet aimed at the beginner in the virtual space who has a limited budget! A few options are shared, from basic to advanced, including how to make the best of what you currently have, and how to add to your studio with various simple, professional, yet inexpensive options.

Learn how to find the best deals and most practical ideas on cameras, lighting and sound.

Whether you are an experienced *'techi'* in the virtual space, or a magician who wants to start up, this book is full of solid advice that won't break the bank and get you started with a professional set-up.
