That One by Dominicus Bagas - Video - DOWNLOAD

A stack of numbered business cards is show and mixed. The spectator chooses any card and hides it, you are able to tell them what number they are just thinking of! The best part is that it can be instantly repeated.

- No gimmicked cards
- Killer method
- Many variations to do (create with words or symbols)
- Easy to do in any situation
- Close up/parlor/stage
- No marking
- No Stooges
- No pre show
