The Ultimate Linking Bands by Mystic Slybaba - Video - DOWNLOAD

From the Mind of the Mystic Slybaba comes another evolution of a classic effect in magic.

The Linking Bands have been a staple in every close up magicians' tool belt. Mystic Slybaba has revolutionized the original Linking Bands routine to end in a truly impossible object. The Bands ultimately link and become fused together, and are passed out as a gift to your participant.

The Ultimate Linking Bands is a stand alone effect designed for gifting magic. When you want to do something powerful, but only have time for a single experience, and you want to leave them with something more than just a memory to walk away with.
