

The Paddle Move by Brando - eBook - DOWNLOAD

What is this book?

It's about the Paddle Move. A wonderful move that allows you to perform great magic.

In this book you will find why the Paddle Move works neurologically, also it's history, and you'll surely fall in love with one or more of the original paddle routines presented by Brando and by other great magic colleagues.

Of course, with pictures and videos, you will be able to learn in a clearer way how to perform the Paddle Move and some techniques to push the possibilities of the paddle to the limit.

Besides paddles, you will also find effects and moves with Hot Rods, knives and Jumping Gems.

More than 80 routines, including collaborations from Ian Adair, Fernando Keller, Toni Casas, Pablo Segóbriga, Silvana, Facundo Daelli, Federico Banegas, Jr. Casas, Merpin, Mag Gerard, Hernán Maccagno and Samuel Arribas.
