

Bro. John Hamman Re-Imagined by Paul A. Lelekis - eBook - DOWNLOAD

This e-book is a fun-filled, hilarious 12-15 minute routine, that one can perform with a borrowed deck!

This routine is composed of **four monster routines**, spliced together into a very funny event, that crescendos into *Mr. Hamman's* most prized effect, "*The Signed Card*". But THIS version has been brought into the 21st Century!

Now, when someone hands you a deck of cards, and says "Do a trick!" you will now be equipped with a 4-part routine that FULLY engages your spectators and will crescendo into a truly mind-blowing finale - and it's IMROMPTU!

1. The spectator first picks out any four cards from a deck and they are found to be the four Aces!
Learn a brand new switch by Paul that is easy to do and will even fool magicians! Let 'em burn your hands...they will see absolutely NOTHING! You'll LOVE this new "tool"!
2. The four Aces are again lost in the deck - but the female finds them again! She is *REALLY TALENTED!*
3. The performer gets a male to find the four Aces...but he fails! The female waves her hand over **these same cards** and they are now shown to be the four Aces! ***This stage will shake everyone up!*** Watch the look on their faces!
4. *NOW for the big finale!* A card is picked and laid on the table...unseen - it's the Paradox Card!

The four Aces are removed and displayed and then placed on the table.

Next a card is selected and signed on the face...it is placed with the four Aces.

The performer then makes the signed card, *vanish*, leaving only the four Aces...you guessed it...the signed card is found to be the Paradox Card that has been on the table BEFORE this effect even began! WOW!

This effect will make the hair stand up on the back of the necks of your spectators! PLEASE just try it out!

In addition, purchasers of the e-book will receive videos and pictures of many sleights, switches, and other very useful accouterments for your performing arsenal.

This is an amazing bargain for ANY magician!
