

Kidshow Magic Kompendium by David Ginn - eBook - DOWNLOAD

Here is the largest book ever published on children's magic - 544 pages, 900 color photos, and 130 kidshow magic tricks and routines. 95% of **KMK** has never been published in other David Ginn books.

KMK is part magic history, part autobiography, and ALL magic proven suitable for children through David Ginn's 16,000 live show career. Some routines are do-it-yourself; others are Ginn's treatment of various magic dealer props.

All are woven with story telling and comedy patter that children love. The actual hardbound book weighs 5 lbs.

This is the first time **KMK** has been offered as a download.
