

Vision Impossible by Any Card - Video - DOWNLOAD

After a few shuffles performed by your spectator, a random card will be selected and then lost in the middle of the deck.

THE SPECTATOR WILL DO EVERYTHING!

Wouldn't it be CRAZY if in another deck there was only one face down card, that exactly matches the spectator's randomly chosen card?

That is just what it happens with "**Vision Impossible**"!

- No gimmicks
- No marked decks or roughing fluid
