

How to Read Minds Book by Simon - eBook - DOWNLOAD

About The Book:

How to Read Minds is the most complete and up-to-date book of mentalism that you will ever read, from the most basic techniques to the most extraordinary methods for guessing and revealing what anyone is thinking, it is the definitive guide for anyone who wants to become the best version of themselves when it comes to being a mentalist.

Imagine looking into the eyes of your spectators and telling them exactly what they are thinking, describing in detail numbers, letters, passwords, and even people thought by them, surely this is the kind of thing in which people will swear that you have some kind of special gift, this being your newest ability when you purchase this book.

Material divided into 3 different acts:
