

## The LID by Ebbytones - Video - DOWNLOAD

This is "The LID" a visual transformation effect using the flap of your card box.

Transformations, teleportations, or visual instant changes.

- No flaps
- No magnets
- No threads
- No elastics
- No black art
- No chemicals
- Super practical
- Very easy to do with easy handling

The gimmick is easy to make and works with any regular card box.

Fully examinable.

The box and card can be handed out immediately to spectators to be checked.  
You must have this!!
