

## **The Vault - Airy by Ilya Melyukhin - Video - DOWNLOAD**

A brand new super visual vanish gimmick!

Turn a playing card into a bill or a piece of paper with a message on it...or simply just make the card disappear! With the same gimmick you can also make a small piece of the card disappear!

- Easy to make.
- All displays and routines that are taught are simple.
- Many creative ways to use this gimmick for different effects.
