

All Four Two by Boyet Vargas - eBook - DOWNLOAD

The Spectator plays a "Charades" like game with the Mentalist. And in every round of the game, the Mentalist always gets it right.

Lastly, the Mentalist performs a mind reading effect that identifies objects that the Spectator is thinking of.

- No force
- Can be performed via video call
- Can be propless
- Can include a drawing duplication effect
- Does not use truth teller/liar plot
- Can use different objects

"Brilliant"

- Marc Salem

"I love the style of thinking in using your brain to the extra leg work to create something fun and engaging for your spectators!"

- Ben Cardal
