

## Find Me If You Can by Boyet Vargas - eBook - DOWNLOAD

"Find Me If You Can" is a two-phase four-card Mentalism routine that starts off with exploring the Spectator's capability of finding their card using their subconscious mind and finishing off with the Mentalist finding the card.

- No force involved
- No secret markings
- No gimmicks
- You don't need to see the cards
- The effect can also be performed via video call

The secret used in this routine is a combination of unique methods and a newly created principle.
