

Bicycle Word Test by Boyet Vargas - eBook - DOWNLOAD

The Bicycle Word Test is a think of a word effect that uses common props used among Magicians and Mentalists. The Spectator is asked to think of a word using this prop and the Mentalist is able to divine the word successfully.

- No asking of questions
- No secret writing
- No anagram involved
- Simple mind-reading method
- Possible to perform via video call or phone

This is an innovative way to make use of your Bicycle card box as a mentalism prop.
