Vortex Magic presents **FUSION COINS** by Alex Soza

Alex Soza is quickly becoming an underground sensation with his innovative and practical coin magic.

In this download you will learn some of his favorite routines:

**FUSION COINS** - A multi-phase routine where three coins appear, vanish and change.

**SPELLBOUND** - Alex's handling on a classic plot - with his twists along the way.

**TRANSPOSITION** - A copper silver routine that is visual and practical.

**SHOOT TRANSPO** - the most visual change from one coin to another.

**METAL TRANSPO** - One playing card - three different coins - an amazing visual transposition

If you love good solid coin magic, then you will LOVE this new download by Alex.
