

Deck Through Box by Kenneth Costa - Video - DOWNLOAD

Melt the playing cards back into a solid card case!

"Excellent and a very visual effect ... congratulations for your creativity."

- **Patricio Teran**

"This effect is incredible, I loved seeing it, but it is incredibly beautiful!"

- **Alex Soza**

"Nice bro, love it, Keep going.""

- **Zaw Shinn**

"Awesome bro very visual. I like it.""

- **Magik Time**

Deck Through Box is a very visual and powerful trick where you can start in your routines, where the deck completely crosses the deck box.

Perfect for real life and social media, detailed instructions and step-by-step teaching.
