

The Traveling Signature by El Gran Na - Video - DOWNLOAD

Two signatures slowly disappear off the back of a playing card. The card with the signatures is now found in the impossible location of your choice!

- The traveling signature is easy to do.
- You can add it to any signed card routine.
- The spectator can sign any card.
- Prepare it in a few seconds.

Includes the tutorial with three different routines:

- The card travels to the bag.
- The card travels to the spectators handbag.
- The signature travels to the prediction card.
