### **Asteroidea by Shirvester**

#### **1. Starfish**

An intense disappearance of rubber bands that is both visual and unique. A masterpiece and highly acclaimed by many magicians.

#### **2. Gloriosa Change**

A very easy and convincing color change.

There are many possible applications for this beyond rubber bands.

### **3. Droplet**

The rubber band jumps out of your mouth.

This is the simplest and easiest rubber band production ever invented. You will immediately want to perform it on someone.

### **4. Annihilation**

Rubber bands spread wide between both hands disappear in an instant. No set up or clean up required.

### **5. Impromptu Begging for Change**

A beautiful color change performed with your arms. Set up in an instant.

### **6. Gargantua**

A rubber band penetrates the card box. Just keep a simple set-up in the deck and you can perform it anytime.

### **7. Rubber Reaper**

An impromptu revival of rubber bands that works for enthusiasts. Offbeat and casual set-up.

You can even have the audience tear off the rubber bands, which is very popular.

### **8. Starfish 360**

This effect is inspired by Dr. Cyril Thomas.

Do you want to perform a rubber band vanish that will withstand 360° viewing angles? That's what this is.

Bonus:

### **9. Angel Falls**

A novel approach for a color change for.

### **10. One Hand Starfish**

Starfish performed with one hand. It is a little weak regarding angles, but very fun to perform.
