

## **Coin Through Bottle 2022 by David Sam - Video - DOWNLOAD**

Borrow a coin and push it right into a full water bottle right in front of their eyes!

New method.

You have to pour all of the water out to retrieve the coin.

If there were any holes in the bottle, the water would not stay inside and the cap is on the entire time!

This is impossible magic in the minds of your spectators.

Download it today!
