"Royle has some unique, creative and entertaining takes on such classics as the Chair Test, ACAAN, Hoys Tossed Out Deck and the Russian Roulette Plot which are certainly worth a closer look and take them to the next level. At times he had the audience on the edge of their seats and overall this show was top notch"

- **Peter Turner (The Devil In Disguise, Jinxed & Bigger Fish)**

"Royle's ACAAN stage routine is a simple, but effective version of this normally difficult-to-execute routine. I can honestly say that in all my years, I have never seen so much quality material offered for so little money!"

- **Stephen Tucker Budget Magazine (IBM - British Ring)**

"Just watched part one of your Egg, Sausage and Peas Show. I have always had my doubts about mixing comedy and mentalism until I watched this. It really works well although I am glad to see that the mentalism was stronger than the comedy. Your presentation was excellent and there was plenty of audience involvement. I really enjoyed your lie detector routine, I feel this always plays well with a large audience. Your psychometry routine was absolutely hilarious. I have never seen belly buttons used before to give character analyses. This is an

absolute gem. The finish with the specs ring was also strong. The book test was well positioned in your show. As Cassidy says you should never open with a book test otherwise your audience will think you are using a confederate. The spectator synchronicity with cards was very baffling and the magic square made for a very strong finish. All in all a very enjoyable show."

- Roger Curzon - (Creator of The Miracle Signed Card in Envelope)

"Jonathan Royle leaves others in the field of mentalism and mind magic wanting, new and original takes on some old favourites and enough new material to leave you wondering "How on earth did he do that?" Fast paced, punchy and engaging, Jonathan always delivers. There are many performers in this field but only one true master. Don't just take my word for it, look at the hundreds, if not thousands of "Testimonials" from others all over the world."

- Robert Phipps (Television Body Language Expert)

"I think this is an excellent show. I particularly like the Nail (Russian Roulette) presentation. Well done and I hope it sells well for you and wish you every success with it. Such a nice change from television style acts."

- Eddie Burke - British Magic & Mentalism Legend

"Jonathan Royle, unconventional hypnotist and mind magician, has been a controversial personality throughout most of his unusual and varied career. But he knows his stuff. The seminar covered magical ('mind reading') techniques and routines as well as hypnotic techniques. The intention was to provide those attending with the building blocks to apply the techniques and develop routines and applications to suit their own specific requirements. I've certainly attended nothing quite like it. (And I mean that in a good way!) This training, I'm sure, is invaluable to anyone who wishes to work in the fascinating field of mind magic."

- Russell J. Hall - Magick Enterprises

"If you are looking to see a really good mentalism show, you will not be disappointed"

- Tony Chris, *Vanish Magazine 10/6/2014

"If you want to be a part of something unique, then his show is a once in a lifetime thrill that you won't forget."

- Myke Phillips - Author Mentalism Book "Olivia"
