

PROFESSIONAL IMPROMPTU by Paul A. Lelekis - Mixed Media - DOWNLOAD

Includes three Videos and many photos, explaining everything.

This e-book addresses impromptu magic that can be performed anywhere - cards, coins, cups, and ESP!

These effects are NOT the typical long-winded, counting, confusing, multiple packet effects that many young people "teach" on YouTube and claim that they're professional routines...they are not!

The routines within, are interactive and visually pleasing.

10 Professional Impromptu effects are included - most are magician-foolers.

Effects included: All 10 of the effects below are winners!

- Rainbow Match
- Cup thru Table
- Easy Triumph
- Four Way Coincidence
- A Principal Principle
- Fickle Coin Routine
- Nu-Way Poker Mental
- Oral Production
- A Prophetic Move
- Packet Prediction (*Nick Trost effect*)

BONUS!

An Explanation of Paul's effect, by a math Professor:
The Trick That Can't Be Explained - you gotta see this!
