

Fugitive by Bachi Ortiz - Video - DOWNLOAD

A card magically escapes!

If you are looking for practical and powerful magic, this is for you!

Your spectators will not believe what they are seeing.

The spectator selects one of four cards with holes punched in them. These cards are secured by a straw and a rubber band.

Magically, the chosen card escapes without any damage.

Two very visual routines.

You can create many more!

Easy to do. Easy to build.

Nothing to splice, no strange movements.

Very clean and examinable.

Take it with you, ideal for bar and street magic.
