We all know times have been tough and our dollar doesn't go as far.

With this close-up piece of magic you will leave your participant feeling that they got more for less!

If you like to challenge yourself than this is for you. There are no gimmicks used, it is all about perfecting your sleight-of-hand. The misdirection is clever and once you do the set up you can perform this bill trick anywhere, anytime.

It's a great piece of magic to use at a party or bar.
