**INSPIRATION** is a collection of 10 brand new easy to do devilish card magic routines.

There is something for every level of magician. Whether you're a beginner or an experienced performer.

If you are a fan of Shin Lim, Dan & Dave and Yoann F., you will Love these tricks.

With just a little practice these cool effects will elevate your magic performance!

Not only do these effects look cool, they are magical to perform!

Why this kind of card magic? "SSS"

Short. All of these effects are short and grab people's attention.

Simple. Not only simple for you to execute but simple for your audience to understand. It's Magic, not juggling with cards.

Sweet. Who doesn't want to look slick with cards and Stand out from other magicians.

**DON'T HESITATE!**

**YOU NEED TO GET IT NOW AND SEE FOR YOURSELF.**

You will learn:

- I like Aces
- Matrix
- Ashes to dust (This effect in my opinion is worth the total price alone!)
- Unexpected
- Jackass
- Boom production
- TDC

**BONUS**

- Smooth palm (This is a very smooth and hidden way to palm the card. So slick you will fool magicians!)
- Quick palm
- Quick change
