

The Vault - Disco Pop by Sean Devine - Video - DOWNLOAD

Three killers effects with your pop socket!

A card is selected by a participant and lost back into the deck. The magician takes his phone out and uses the pop socket in a mysterious way to locate the selection! The card can even be signed. If you're a fan of "*Tiny Plunger*" by Jon Armstrong, then you'll love this!

Also taught are two additional effects. An impossible Instagram prediction, and a unique take on the ACAAN plot. Along with the effects, you'll also learn quite a few sleights and subtleties. Don't pass this one up!

Download and learn this today.
