

The Vault - How to fool friends and entertain people by Matthew Wright - Video - DOWNLOAD

For the past 8 years Matthew Wright has owned and run his own magic theatre in Torremolinos, Spain called The Chamber of Secrets. It has been acclaimed as one of the top ten "things to do" for the whole of Spain and has been wowing sell out audiences and getting rave reviews since the day it opened its doors.

For the first time ever Matthew is pulling back the curtain and taking us behind the scenes at his hit show.

In this 4.5 hour download not only do you get to see the show, you also get to see how and why it works. With in depth analysis and discussion with former employee and magical superstar Tom Crosbie you get a never before seen insight into every aspect of the show. From how to choose the right audience member to bring on stage to how to ensure you get the best reviews possible no stone is left unturned.

There are thousands of tricks available to learn...but there are very few resources like this where you get to learn what REALLY makes the magic work.

A fun and highly interesting watch suitable for everyone.....even if you're not a magician!
