

Y.W.C.T.C by Viper Magic - Video - DOWNLOAD

You will choose this card!

A prediction effect with a comedic twist.

And to make it even more amazing, all the other cards are shown to be completely normal, leaving the spectator to wonder how this could have been possible.

This trick is quick and easy to learn and requires a quick little setup. It's perfect for both beginners and experienced magicians alike, and is sure to be a hit at your next performance.
