

## D'FFICULTY By Ragil Septia - Video - DOWNLOAD

Control their minds as if by hypnosis!

Show a deck of cards inside of the card box. Allow the spectator to grab the cards and feel how easy they will slide out of the box. You now suggest to them that they will not be able to remove the cards. Sure enough the spectator can no longer pull the cards from the box!

- No magnets
- No glue
- No thread
- No wire
