

Two Shadows by Dominicus Bagas - Video - DOWNLOAD

Two cards are chosen by a combination of numbers. They are put into different positions. Mysteriously, they are side by side in the deck.

It looks impossible. But wait, the magician has made a prediction and it is inside a normal envelope that has been on the table. A really fun and mysterious trick.

- Regular deck
- No gimmicks
- Can be done with a borrowed shuffled deck
- Sets up in less than 30 seconds
- Almost impromptu
