

## DSM Color Change by Suraj - Video - DOWNLOAD

*"A great and interesting move... I will start using it immediately!!"*

- **Mario Tarasini**

Here is a new and unique single handed color change by Indian underground magician Suraj Debnath!

What's special about it?

- Impromptu
- 360° angles
- Great for real world apart from social media reels
- Can be done with a borrowed shuffled deck!

You'll be able to add this color change to your card routines immediately after learning it. Your card magic will be stronger than ever! You will learn 3 different variations of the color change from an over the shoulder view.

Your spectators are waiting.
