

SKD Change by Suraj - Video - DOWNLOAD

"The strongest effect that you can perform with a pack of playing cards is to change the identity of one card into another."

- **Dai Vernon**(the father of close up card magic)

"Looks amazing. Never thought someone would use this principle for a colour change."

- **V Khanna**

Here is a new and unique color change by the Indian underground magician - Suraj Debnath.

What's special about it?

- Impromptu
- 360 angles
- Great for real world and for social media reels
- Can be done with a borrowed shuffled deck!
- Can be instantly repeated.

You'll be able to add this color change to your card routines immediately after learning it. We have eased down the learning curve for you. Your card magic will be stronger than ever! You will learn the color change from an over the shoulder view.

Your spectators are waiting. Are you ready? Get your hands on the download now!
