

C.T.C. 3.0 (Card Through Card) By Kenneth Costa - Video - DOWNLOAD

The ultimate solid through solid effect!

After C.T.C version 1.0 and 2.0 , now you can experience the new and improved **C.T.C 3.0** version!

A very visual and clean magic, your spectators will be really shocked. You can carry it in your pocket and do it anywhere and anytime.

"That's a really good trick"

- **Rizki Nanda**

"What the hell dude! This looks very real and so beautiful. It will be my favorite magic that I carry in my pocket."

- **Esya Gumelar**

"It's very smooth and clean, you can see it really cuts through the card. It's very smart."

- **Alex Soza**

"Good job friend, very visual and amazing, and what a brilliant method."

- **Asmadi**

Quick and easy to build, the detailed video explains the construction and routines step by step.

Additional ideas included at the end of the video.
