

Marked Jump by Anthony Vasquez - Video - DOWNLOAD

Who doesn't have a marker? With **Marker Jump** you can do an impossible effect and the best thing is that it is totally examinable!

Imagine putting together 3 markers with different colored caps together. Now, step by step, the first cap will jump one by one until it reaches the top.

To finish you can hand out the markers to leave your spectators speechless.

Strong points:

- Very visual
- Can be given to examine
- Very easy to use
- Useful in multiple scenarios
