

The Vault - Silver Finger by Matthieu Hamaissi - Video - DOWNLOAD

A visual trick that will leave a powerful memory!

Silver Finger is a powerful new illusion that takes the magic out of your hands and makes any environment you are standing in magical.

An incredible illusion without any gimmicks, no extra objects, and only 3 coins are used.

A illusion designed for all conditions, street magic, restaurant and lounge.

The effect can be mastered by using just a few basic techniques.

The moves are reliable and bulletproof. The effects can be performed with all types of coins regardless of where you are in the world.

In this download you will find the detailed explanations to 8 techniques and all the necessary tips to perform the entire routine.

Download and learn this masterpiece today!
