A prediction effect with a roulette wheel and a deck of cards!

Here's what happens: The magician puts an envelope on the table and in the envelope is a prediction with a casino roulette wheel on it. The winning number is marked.??The cards are counted down to that number and when the prediction is revealed. It's exactly the same number that is marked on the roulette wheel.

Fun and easy!

The effect allows you to let your imagination run wild, so download it today.
