

## The Rippler by Arnel Renegado - Video - DOWNLOAD

A new kind of haunted deck!

Imagine you can riffle the whole deck with the power of your mind! **The Rippler** is an effect where you visually riffle down the corner of your deck of cards without ever rifling! The cards activate as if being riffled by a ghost or the power of your mind.

Dive in and let's discover the secret of **The Rippler**!

**Effect 1:** Use it before you ask your spectator to chose a card.

**Effect 2:** To locate a freely chosen card! Visually ripple and stop right where their card is.

**Effect 3:** A chosen card visually rises from the bottom to the top of the deck.
