Introducing "The Witch Hand" by Hendy July

Experience a groundbreaking twist on the classic "which hand" plot.

In this method, participants remain completely silent, and the performer accurately guesses where the hidden coin is among three different locations without any spoken words by the participants.

- No gimmicks.
- No truth or liar premise.
- No math work.
- No fishing.
- No forcing.

The performer doesn't need to know whether the participants answer is "a yes" or a "no".
