Impossible Linked by Tybbe Master - Video - DOWNLOAD

An impossible linking object effect!

Have any card selected and signed, then punch a hole in the corner of the signed selection.

Now visibly link a borrowed finger ring or keychain to the card right in front of their eyes.

Unlink the object visually as well and then immediately hand the signed card out for examination there are no tears or gimmicks.

- No magnets.
- · No black art.
- Fully examinable and easy to do.
