

## Walleds by Tybbe Master - Video - DOWNLOAD

Use your own regular wallet to switch objects!

This effect is not only for playing cards, but can also switch predictions, billets, change money and more.

- No pulls
- No flaps
- No threads
- No magnets
- No black art
- And this 100% fully examinable!

Gimmicks are easy to make and practical to present.

Perform this anytime and anywhere.
