A fun card revelation!

The spectator peeks at a card and remembers it. The magician says he will make the card turn over in the deck. However when he spreads the deck there is a card turned over but it's not their card. With just a snap of the fingers the wrong card turns into the correct card that the spectator chose.

- Easy to do
- The chosen card can be give as souvenir
- No hard sleight of hand

Let's learn it today!
