

The Vault - That Cuts Me Up by John Carey - DOWNLOAD

An impossible spectator cuts the aces routine!

This routine is almost entirely hands off and a real fooler.

This routine was taken from the Quadro project by John Carey and Big Blind Media.

If you like this effect you will love the Quadro project as it features 14 killer four of a kind productions and is considered the Masterclass on four card productions. Please do check out the complete project as well.
