## **Tearing Sounds by Tybbe Master - Video - DOWNLOAD**

A modern torn and restored sticky note like no other!

A sticky note with a hole in the center of it is inserted onto the string of your hoody. The spectators can hold the end of your hoodie string while you rip away the piece of paper from the string.

They hear it rip. The see it tear, yet the sticky note is unharmed.

And of course you can give it directly to the spectator for examination.

Easy to do and practical.
