## INK DOWN by Zoen's - DOWNLOAD

**INK DOWN** is a very visual and smooth effect where we can write anything on the lid of the card box and then in an instant the ink moves to fall on the edge of the card deck, And it can actually be checked directly from the card box or card deck!

- No pulls
- No flaps
- No threads
- No magnets
- Simple & practical
- Everything is fully examinable
- Visual and easy to do
- Works with various writings, symbols or images
- Can be combined with any card magic routine
