

CHIMNEY CARD by Bach Ortiz - DOWNLOAD

Chimney Card is a great opening effect. A different trick, from what you're usually presented.

You will show a card on both sides and make a tube with it. From this moment the magic begins! A very visual, amazing trick, with an ending unexpected by everyone.

After producing silk from the inside of the card, bring a lighter to the bottom and produce a large flash.

This is 100% visual magic, easy to do and will leave your audience amazed.

Learn how to do this incredible effect now!
