NEXUZ by Jean Mind - (plus pdf) - DOWNLOAD

NEXUZ is something special created by Jean Mind and Leonard Rangel. It feels like real-life telepathy. The coolest part? It's super simple to do, and you can start amazing people with it right from the get-go.

What Makes NEXUZ Awesome:
There's nothing to download, no apps, and no websites. Just pure magic.

You ask someone to think of something personal, like the day they were born or their secret lucky number. Then, with a little help from a friend who could be anywhere in the world, you blow their mind by telling them exactly what they were thinking. And guess what? You don't have to memorize anything or do any mental gymnastics. It works in any language, making it perfect for everyone.

Why Everyone Loves NEXUZ:

Created by Experts: Jean Mind and Leonard Rangel know their stuff, bringing you a trick that's fun and jaw-dropping.

Super Easy: If you can talk, you can do NEXUZ. No need to be a magician, and no memory work required.

Tech-Free Magic: No downloads or installs, so you can focus on the fun part-the magic. Ready in a Flash: You can do NEXUZ anywhere, whether it's at a party, on the street, or during a casual chat.

Universal Fun: It doesn't matter where you are or what language you speak; NEXUZ is for everyone, everywhere.
