The deck will be shuffled by spectator. They freely think of the name of the person, think of number from 10 to 20, or the month that person was born. The magician let them roll the imagination dice, to choose a number, from that number spectator thought of a card. And with just only one snap of the finger, their card appears inside the card box.

- Shuffled deck of card
- Freely name , Freely number or month
- No sleight of hand required

Let's learn it!
