

Cardtrait 2.0 (Stage Version) by Guillermo Dech - Video - DOWNLOAD

Close-up magic is phenomenal and allows you to personally connect with your audience right under their noses, but are you willing to reach new audiences and take the next step in your career? In 2021 we share **Cardtrait**, a new version of the card signed through window. However, despite the resounding success it had, we want to take one more step so that you can reach the supreme level.

Introducing **Cardtrait 2.0**. The stage version of **Cardtrait** where the signed card gets trapped in the window. Ideal as the final effect of your routine!

Big magic for big audiences. Leave them speechless and breathless.

What are you waiting for? **Order yours now!**
